Course Pre-Authorizations (through EASy)

❖ What are they?
  ➢ Requests to override codes in WebReg which restrict course enrollment based on prerequisites/major/etc.

❖ When are they required?
  ➢ When your prerequisite alternatives do not match the officially listed prerequisites in the system
  ➢ If you have had a petition accepted to substitute one of the prerequisites
  ➢ When a course is restricted to another major (i.e. some CSE courses are “major restricted”)

❖ Submit a request via the [UC San Diego Course Pre-authorization System](https://www.ucsd.edu). When submitting your request, select the instructor for your preferred section.
  ➢ If the instructor is teaching multiple sections, you must include the Section ID in the justification section

❖ If the request is approved, you will receive an email notification.

❖ Return to WebReg to enroll in the approved class section.
If you are pursuing a **WAITLIST ONLY** course, you must place yourself on the waitlist as soon as possible.

- Note: You can only waitlist a course during **Second Pass**.

If you are granted a seat, you will receive the following email notification:

> “You have been pre-authorized to enroll in DSC 10 Section A01- Introduction to Programming. **This approval does not imply enrollment action.** It is your responsibility to add the course via WebReg at [https://act.ucsd.edu/webreg2](https://act.ucsd.edu/webreg2). To do so, remove yourself from the waitlist and then enroll in the course. You are guaranteed a seat in the course as long as you enroll by the given deadline. The deadline to enroll is XX/XX at XX am. If you do not enroll by this time, your seat will be given to another student on the waitlist.”
Communication Expectations

❖ It is your responsibility to **CHECK YOUR EMAIL**

❖ Make sure all UCSD emails are set up to land in your inbox, check all mailboxes every day including Spam

❖ If you are concerned you are not receiving notifications due to technical issues, utilize Drop-In advising hours or email [dscstudent@ucsd.edu](mailto:dscstudent@ucsd.edu)

❖ **DO NOT** EMAIL ASKING FOR A SEAT

❖ **DO NOT** ASK YOUR PROFESSOR FOR A SEAT
