How to Submit an Elective Petition for Math 180A (Pre-Approval version):

URL: https://ugrad-petitions.ucsd.edu/ugrad/petitions/submit

** Note: This example is showing a Pre-Approval petition, but if you have already taken the course, you must submit this petition as a Course Substitution**

Step 1: Choose the “Data Science Program” from the Drop Box

Step 2: Choose either “Pre-Approval” (if you have not yet taken the course) or “Course Substitution” (if you have already taken the course and have a grade)

Step 3: Choose “Other” for UCSD Course

Step 4: Specify “Elective”
Please note, petitions may take up to 4 to 6 weeks to process, so please submit them ASAP!
